Authentic Natural Look

Brava molds are cast from pieces of hand-chiseled slate. Our slates have natural edges and varied depth of color to create an authentic European feel. Old World Slate has a thick profile and deep color exposure throughout the entire tile.

Once you have it in
your hand, you'll see
for yourself. **There is
no comparison.**

Maintenance Free

Natural slate requires ongoing inspection for mold, cracked or slipped tiles, and rust-colored pyrite stains. Brava Old World Slate is maintenance-free, giving owners superior protection and peace of mind.

We use recycled material in all our products, and we're very proud to share that Brava's Old World Slate is fully recyclable. We are committed to a sustainable future and work hard every day to keep used building materials out of landfills.
